CUSTOM DIMENSION GUIDE – LONG REACH DECK MOUNTED RAIL

This form is for customers requesting a custom long reach deck mounted pool rail. Please fill in dimensions as accurately as possible based on your pool deck and installation requirements.

Please return the completed guide to initiate our evaluation and quoting process. Our team will review your measurements and confirm whether we can fabricate the requested rail.

Note:

- Dimensions are assumed to be in inches unless otherwise specified.
- Wedge anchors and escutcheons are sold separately.
- Final approval and lead time will be provided after reviewing submitted dimensions.

- 8" is standard anchor spacing
