

TRUPRO - PRETZEL BEND RAILS

DESCRIPTION:

- Constructed from corrosion-resistant stainless steel for long-lasting durability.
- Marine-grade stainless option available for saltwater or heavily chlorinated pools.
- Smooth pretzel bend provides a continuous, ergonomic grip.
- Fully deck-mounted with no pool overhang for unobstructed swim zones.
- Meets U.S. ADA Standards for Accessible Design when installed with specified anchors.
- Polished stainless finish offers a sleek, modern look and easy cleaning.
- Sold in pairs. Anchors and escutcheons sold separately.
