

4-Point Hanger Bar

PART #: F-03EZHB4P-01

MANDATORY

LEAVE THIS MANUAL WITH LIFT OWNER

Read and follow all instructions.

Lift safety can only be ensured if the lift is installed and operated according to these instructions.

- NEVER permit children to play on or around the lift
- Do not allow children to use the lift without adult supervision
- NEVER apply direct water pressure to the electronics
- NEVER use the lift with a dry pool

READ CAREFULLY

Check entire box and all packing materials for parts. Before beginning assembly, read the instructions and identify parts using the figures and parts listed in this document.

It is critical that all parts be carefully inspected prior to installation. If any damage occurred in transit, Aqua Creek Products, LLC must be notified within three days of receipt of unit.

Proper installation cannot be overstressed, as an improper installation voids Aqua Creek's warranty and may affect the safety of the user.

Installation Instructions

The 4-POINT HANGER BAR comes fully assembled, and only needs to be attached to the lift and sling to begin use. The 3/8" QUICK LINK goes between the lift-eye and the 4-POINT HANGER BAR eye-bolt as shown above. Be sure to tighten the nut on the 3/8" QUICK LINK to make sure it can't come off accidentally.

The 4-POINT HANGER BAR was designed to be used with 4-point slings from other manufactures. Attach the 4-point sling to the hanger bar per the manufacturers' instructions.
